Enclosures:

1. Duly filled "Form IV" for Biomedical Waste Report from 01.01.2024 to 31.12.2024.
2. Biomedical Waste annual consumption report from 01.01.2024 to 31.12.2024.

	disposed by CBMWTF				
4	Quantity of waste generated or disposed in Kg per annum	:	Yellow Category : 683.85 KG (Approx)		
			Red Category : 908.25 kg (Approx)		
			White: 52.20 kg (Approx)		
			Blue Category : 172.90 (kg Approx)		
			General Solid waste: 160 kg (Approx)		
5	Details of the Storage, treatment, transportation, processing and Disposal Facility				
	(i) Details of the on-site storage facility	:	Size : 15 kg buckets of different colors for storage		
			Capacity : 50 KG Per Month		
Provision of on-site storage : NA					
(ii) Details of the treatment or disposal facilities	:	Type of treatment equipment	No of units	Capacity Kg/day	Quantity Treated or disposed in kg per annum
		Incinerators			
		Plasma Pyrolysis			
		Autoclaves			
		Microwave			
		Hydroclave			
		Shredder			
		Needle tip cutter or destroyer			
		Sharps encapsulation or concrete pit			
		Deep burial pit:			
		Chemical disinfection			
		Any other treatment equipment			
(iii) Quantity of recyclable wastes sold to authorized recyclers after treatment in kg per annum.	:	CBMWTF dose the work of treatment and disposal of our bio medical wastes so details of quantity or recyclable wastes sold to authorized recyclers after treatment will provide by CBMWTF			

INDIRA IVF HOSPITAL PVT. LTD.
 3rd Floor Regal Plaza, G.T.Road, Murgasole
 ASANSOL - 713303
 Distt. West Burdwan (West Bengal)

	(v) Details of incineration ash and ETP sludge generated and disposed during the treatment of wastes in Kg per annum	: CBMWTF dose the work of treatment and disposal of our bio medical wastes so details of quantity or recyclable wastes solid to authorized recyclers after treatment will provided by CBMWTF.
	(vi) Name of the Common Bio-Medical Waste Treatment Facility Operator through which wastes are disposed of	: M/s Medicare Environmental Management Pvt. Ltd.
	(vii) List of member HCF not handed over bio-medical waste.	: CBMWTF will provide the details.
6	Do you have bio-medical waste management committee? If yes, attach minutes of the meetings held during the reporting period	We have Biomedical Waste Managem committee and our housekeeping incharge is given responsibility for training of staffs regarding BMWM & Moreover he also looks after the proper storage of BMWTF for its disposal
7	Details trainings conducted on BMW	Training done every month
	(i) Number of trainings conducted on BMW Management.	12
	(ii) number of personnel trained	40
	(iii) number of personnel trained at the time of induction	40
	(iv) number of personnel not undergone any training so far	Not any, because at the time of joining we give proper training to the staff regarding BMW.
	(v) whether standard manual for training is available?	YES
	(vi) any other information	NO
8	Details of the accident occurred during the year	NO Such incident happened during this year
	(i) Number of Accidents occurred	0
	(ii) Number of the persons affected	0
	(iii) Remedial Action taken (Please attach details if any)	NA
	(iv) Any Fatality occurred, details.	NA
9	Are you meeting the standards of air Pollution From the incinerator? How many times in last year could not me the standards?	NA (CBHWTF Responsibility)
	Details of Continuous online emission monitoring systems installed	NA (CBHWTF Responsibility)
10	Liquid waste generated and treatment methods in place. How many times you have not met the standards in a year?	Persently the Effluent generated goes in soak pit but we are planning to have an Effluent Treatment plan
11	Is the disinfection method or sterilization meeting the log 4 standards? How many times you have not met the standards in a year?	NA
12	Any other relevant information	NA

for a period from 01.02.2023 to 31.01.2028 to operate the Health Care

Establishment and to discharge liquid effluent through 01 (One) nos. of outlets/outfalls

to municipal drain (place of discharge) and to emit the gaseous emissions through stack(s)

attached to

in accordance with the conditions as mentioned in the consent provided on any day at any instance the quality and quantity of liquid discharge and gaseous emission shall not exceed the permissible limit as specified in the Environment (Protection) Act, 1986

Breach of the conditions and/or failure to comply with the directions as set out here render the applicant liable for prosecution under the provisions of Water (Prevention & Control of Pollution) Act, 1974 and Air (Prevention & Control of Pollution) Act, 1981.

The State Board reserves the right to revoke, withdraw or make any reasonable variation / change / alter the conditions of this consent by giving one month's notice to the applicant.

Private Hospital (Bed Capacity - 10 Nos)

Conditions:

01. The consent is granted to carry on nos. of Pathological/diagnostic tests/treatment of nos. of patients per month.
02. The applicant shall take adequate measures to treat/store/dispose off 55 kgs per month of Bio-medical wastes generated from the health care establishment as specified in the Rules
03. The applicant shall remain responsible for the quantity and quality of liquid effluent and gaseous emission
04. To bring any change in the unit, stacks, place or point of discharge of effluent etc. the applicant shall obtain prior permission of the State Board

05. (2) The applicant shall take adequate measures to maintain the quality of the liquid effluent as specified below

Parameters	Permissible standards	Frequency of Sampling
pH range	6.5 to 9.0	Yearly
TSS	Conc. not exceed 100 mg/l	
BOD	Conc. not exceed 30 mg/l	
COD	Conc. not exceed 250 mg/l	
Oil & Grease	Conc. not exceed 10 mg/l	
Bio-assay test	90% survival of fish after 96 hours in 100% effluent	

06. The applicant shall take adequate measures to maintain the quality of gaseous emissions as specified below :

Stack attached to	Stack height in metre from G.L.	Concentrations [in mg/m ³] of parameters not to exceed					Frequency of Sampling
		SPM	SO ₂	NO _x	HCL	Conditions	
						at 12% CO ₂ correction/CO1%v/v [strike out whichever is not applicable]	
						at 12% CO ₂ correction/CO1%v/v [strike out whichever is not applicable]	
						at 12% CO ₂ correction/CO1%v/v [strike out whichever is not applicable]	

07. The applicant shall maintain the noise levels from its own sources within the premises within the limit given below :

Time	Limit in dB (A) Leq
Day Time (06 a.m. to 09 p.m.)	65
Night Time (09 p.m. to 06 a.m.)	55

- 08. Noise levels from the DG set should be controlled by providing an acoustic enclosure or by treating the room acoustically. Installation of DG Set must be strictly in compliance with the recommendations of the manufacturer, A proper routine and preventive maintenance procedure for the DG Set should be set and followed in consultation with the DG Set manufacturer to prevent noise levels from deterioration with use.
- 09. The applicant shall maintain good house keeping, good working condition and take adequate measures to control pollution from all sources.
- 10. The applicant shall allow the officers of the Board to enter into applicant's premises at any reasonable time for inspecting the unit.
- 11. The applicant shall make an application to the State Board in the prescribed form for renewal of the consent at least 60 (sixty) days before the date of expiry of this consent.
- 12. The establishment shall not undertake any expansion, modification or alteration in the existing process or equipment without the prior permission of the W.B.Pollution Control Board.
- 13. The State Board reserves the right to revoke this consent if at any time it is found that the health care establishment is not meeting the standards as mentioned by W.B.P.C.B. or if the pollution control equipment are found to be inoperative.
- 13. The applicant shall obtain Authorisation for the generation, collection, reception, storage, transportation, treatment and disposal or any other form of handling of Bio-medical waste under the provisions of Bio-Medical Waste (Management & Handling) Rules, 1998 and its amendments thereafter from the Board.

AGREEMENT

This Service Agreement ('Agreement') is made at Raniganj on this **01st Day of Oct, 2023**, between **M/s INDIRA IVF HOSPITAL PVT.LTD.- 10 sanctioned beds** (Renewal) having its address at HOLDING NO 141, 143, 160 NEW, 3RD FLOOR REGAL PLAZA, G.T. ROAD, MURGASOLE, ASANSOL, PIN- 713303, Represented by its Owner (hereinafter referred to as "the Generator" which expression unless repugnant to the subject or context thereof, shall include its administrators, successors and permitted assigns) as Party No.1

AND **M/s. Medicare Environmental Management Pvt. Ltd.**, Company registered under the Companies Act, 1956 and having its registered office at Level 11, Aurobindo Galaxy, Hyderabad Knowledge City, Hitech City Road, Hyderabad, Telangana- 500081, and having Common Bio-Medical Waste Treatment, Storage & Disposal Facility at J.L No. 22, Mouza - Mangalpur, Raniganj, Paschim Bardhaman - 713347 (hereinafter referred to as "the Operator" which expression unless repugnant to the subject or context thereof, shall include its administrators, successors and permitted assigns) as Party No.2

The Generator and Operator hereinafter individually referred to as 'Party' and collectively as 'Parties'.

- Operator** agrees to provide the services of collection, transportation, treatment and disposal of bio-medical wastes generated by **Generator** subject to the terms and conditions specified hereinafter.
- The Generator**, undertakes to properly segregate its bio-medical wastes in prescribed color-coded non Chlorinated HDPE bags and put sharp items in Puncture Proof Container (PPC) as specified in the Biomedical Waste (Management & Handling) Rules 2016 and as amended. For any amputated body parts, the Generator will give the **Operator** a declaration duly signed by its authorized representative, stating the patient's name, age and reason for amputation as required under the Pollution Control Board's (PCB) regulations.

- c) **Generator** will establish a proper and convenient single collection point at its premises to facilitate the collection of its bio-medical waste by **Operator**.
- d) In consideration of the services to be provided by **Operator** to **Generator** under this agreement, **Generator** agrees to pay **Operator** ₹8.00 (Rupees eight only) w.e.f 01.10.2023 to 31.12.2023 and ₹8.32 (Rupees eight and paisa thirty two only) per day per sanctioned bed w.e.f 01.01.2024 to 30.09.2026 with a security deposit of ₹5130.00 (Interest-free, non-adjustable but refundable on termination of contract, if any), besides regular payment from first month against bill raised. **Medicare** would only refund security deposit to the Customer after deducting outstanding payments due from them, if any on the basis of sanctioned beds. The above rates are valid upto 300 grams of BMW per day per functional/sanctioned beds. Over & above 300 grams per day per functional/sanctioned bed, an additional charge @₹27.00 (Rupees twenty seven only) per kg will be claimed on monthly basis based on mutually accepted data available on Collection Automation System. Any taxes, surcharges announced by State or Central Govt. / departments regarding provision of Bio-Medical Waste management will be applicable thereafter as extra.
- e) The charges are subject to annual revision on the basis of Govt. of India wholesale price index and including but not limited to every event of escalation of fuel costs, power tariff, change in disposal technologies and/or method, wage hike and others.
- f) This service agreement shall be valid for a period till **30 September 2026**, herein refer to as the Term. The **Generator** will not enter into any agreement with any other party for the provision of bio-medical waste management services during the Term. In the event, for whatsoever reason, the **Generator** is unable to utilize the facility services for a particular month/period, the **Operator** shall forfeit the amount that is unutilized in that agreement period/financial year.
- g) **Operator** shall send the monthly user charges invoice to the **Generator** on or before 5th of every succeeding month. The **Generator** undertakes that payment shall be made through Demand Draft or through NEFT/RTGS/ other electronic mode or through UPI in favor of **M/s. Medicare Environmental Management Pvt. Ltd.** on or before 15th of every month.
- h) Any dispute in the invoice of user charges shall be intimated to the **Operator** within seven days of receipt of the invoice, failing to which it shall be treated as final.
- i) In case of delayed payments the **Generator** shall be liable to pay interest at the rate of 2% per month on the outstanding amount during the default period. In the event of any bill amount along with interest is due for more than three (3) months, **Operator** reserves the right to refuse to extend its services to the **Generator** and even to terminate this Agreement with immediate effect.
- j) **Operator** will collect the bio-medical waste from **Generator's** premises (designated Common Collection Point) at such time and for such frequency as mutually agreed by both parties. **Operator** will not collect any bio-medical waste that is not properly segregated and packed in accordance with Bio-Medical Waste (Management & Handling) Rules 2016 and as amended.
- k) **Operator** will issue an acknowledgement of the collection of the bio-medical waste (System Generated Manifest) to the **Generator** on the day of collection. This manifest will assist **Generator** to fulfil its compliance requirements under the provision of Bio-Medical Waste Management Rules (2016) and as amended. The manifest will be deemed as final and conclusive proof of collection in the event of billing and payment dispute.
- l) **Operator** may supply to the **Generator** upon request of **Generator** color-coded non-chlorinated plastic bags, puncture proof containers and other consumables at a rate mutually agreed by and between **Operator** and the **Generator**. The **Generator** will issue official purchase order to **Operator** for the supply of bags and any other items relating to the management and handling of bio-medical waste.
- m) In the event **Operator** is unable to fulfill its obligation under this agreement due to circumstances beyond its control, including but not limited to natural calamity, pandemic situation, Nationwide and State level strike, **Operator** will not be held responsible for such failure to perform under the Term.
- n) This Agreement shall be subject to the laws in force in India from time to time.
- o) The parties agree to settle any dispute arising out of this Agreement amicably.
